Dear Mr Fares,

Re: London Academy of Diplomacy

I am writing to confirm that Abu Dhabi Police office in London has been sending many of our officers and local staff to attend the Masters courses and training programmes which are offered by the London Academy of Diplomacy. Two of our senior officers are reading for a PhD degree under the supervision of Professor Nabil Ayad.

We have a long working relation with the Academy and very happy with the high academic and professional level as well as the excellent services provided by the Academy.

Please don't hesitate to contact me if you require further information.

Yours sincerely,

Major Dr. Mohammed AL Breiki,
Police Attaché Office,
